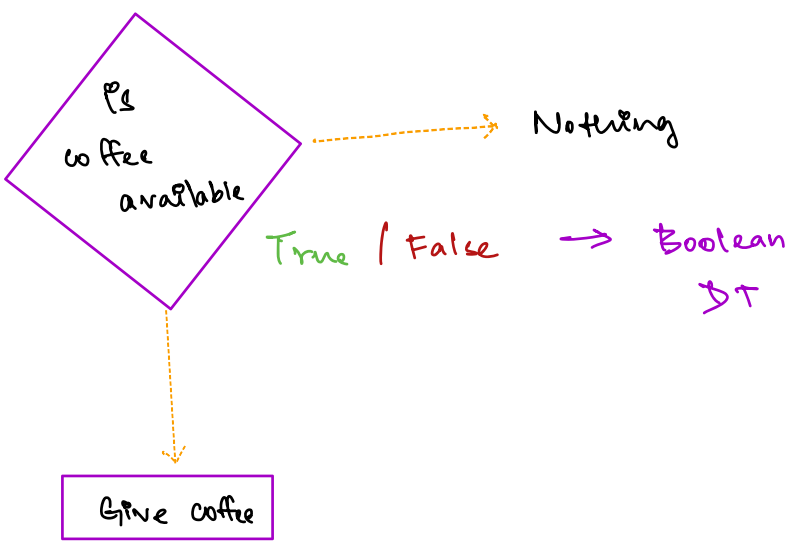
Agenda

1. Introduction to If Else and Boolean Data type
2. Solve 4 questions
3. Operators Basics ++
4. Solve 4 more questions

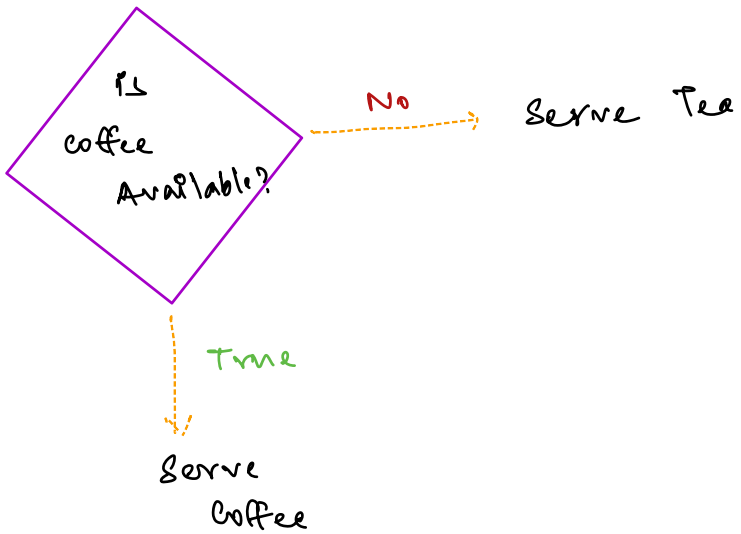
[AMAZON question included]

If Else blocks

if you have coffee give me coffee ?



If coffee available, give coffee, else give tea



Syntax of if - else

```
if ( is coffee available ) {
    // serve coffee
}
else {
    // serve tea
}
```

condition [True / False]
